THE COMPULINK-USA DIFFERENCE

COMPETITIVE COST

CompuLink-USA has reduced the lead time from weeks to days while providing the same level of performance, all at a price lower than brand name solutions. CompuLink delivers:

- Aggressive component sourcing
- Project pricing
- Lower labor cost achieved through automation

RAPID DELIVERY

Don't let the three to six week lead times of traditional suppliers slow down the deployment of your healthcare facility project. CompuLink-USA offers:

- Exceptional lead times
- Outstanding responsiveness
- Flexibility
- Same-day shipping available
- Global shipping capability

HIGH QUALITY

Compatible with almost all chassis and modules, our fiber cables save both time and money without sacrificing performance.

25 Year Limited Warranty
